Description:

This database details those persons enumerated in the Slave Schedule of the 1860 United States Federal Census. In addition, the names of those listed on the slave schedule are linked to the actual images of the 1860 Federal Census. In most cases, individuals were not named but were simply numbered and can be distinguished only by age, sex, and color; the names of owners are recorded. However, some enumerators listed the given names of slaves, particularly those over one hundred years of age.
